Summary 175 words which concisely and impartially summarizes the measure and its major effect.
 This measure is structured to maintain the existing District bond rate. No tax rate increase is expected with passage. Approval secures a \$12,252,000 State grant, reducing local costs.
 Sweet Home School District seeks approval for up to \$40,000,000 in general obligation bonds to finance capital improvements, including:
 - Student Safety: Upgrade emergency communication and lockdown systems at every school.
 - Vocational and Career Training: Upgrade career facilities to prepare students for skilled trades and local jobs.
 - Durable, Secure Classrooms: Replace aging flat-roof high school buildings, modulars and outdoor breezeways with classrooms built for Oregon's climate. Consolidate over 40 exterior entrances with public access to classrooms, restrooms and student areas into a single monitored main entrance during school hours.
 Receipt of State grant requires voter approval. Bonds may be issued in multiple series, each maturing within 30 years of issuance. The measure is estimated to maintain the current District bond rate of \$1.45 per \$1,000 of assessed value. Actual tax rates may vary, depending on final interest rates and changes in assessed value.
