

Linn County plans 3 COVID-19 vaccine clinics

ALBANY — Linn County Public Health has received a record 8,336 COVID-19 vaccine doses, so three vaccination clinics will be held in the coming week at the Linn County Fair & Expo Center, 3700 Knox Butte Road.

Clinics will be held from 9 a.m. to 5 p.m. Wednesday, Thursday and Friday.

As of Friday, about 33% of Linn County residents have received at least one vaccination, Noble said.

The Wednesday clinic will feature 1,170 first doses and 1,066 second doses of the Pfizer vaccine.

“We have received the largest allotment of Pfizer and Moderna vaccines to date, 8,336 doses,” said Public Health Director Todd Noble.

Noble said that although all Oregonians age 16 and older are eligible for vaccinations, they must be at least 18 years old to receive the Moderna vaccine.

“Like most communities in Oregon we are seeing an increased in COVID-19 positive cases,” Noble said.

“Vaccination is the pathway to put this pandemic in the rear view mirror. We still have a ways to go to reach herd immunity, so I encourage anyone who has not yet been vaccinated to join us next week at the Linn County Fairgrounds to be vaccinated.”

Noble said scheduling an appointment is simple and straightforward at www.linncountyhealth.org.

Anyone who cannot access the Internet may also register by calling 855-441-2311.

All Oregonians 16 years of age and older are now eligible to receive a vaccination.

Homebound Linn County residents may also be served through the county's mobile vaccination clinic by calling the Linn County Public Health office at 541-967-3888.
