

# Health Informatics Analyst

LINN COUNTY DEPARTMENT OF HEALTH SERVICES

Class Code: 092

## AVAILABLE POSITION

### Health Informatics Analyst

### Health Information Technology (Classification 092)

### Management/Exempt Full Time (37.5 hours/week) position

#### ESSENTIAL FUNCTIONS:

- Implement, maintain, and enhance Health Department operational systems with both technical and functional support.
- Coordinate with vendors, contractors, and end users to ensure optimal utilization of electronic medical records and other systems used within the Department.
- Transform knowledge of the Health Department's systems and operations into useful information for planning, training, and oversight efforts.
- Provide support, training materials, and recommendations for electronic medical record systems.
- Produce forms and configure EHR components as needed to support business needs.
- Create reports and analysis, using extracted information from various EHRs, computer systems, or data repositories.

#### MINIMUM QUALIFICATIONS:

- A bachelor's degree in a computer or health related discipline or a related field from an accredited institution; any satisfactory equivalent combination of experience, education, and/or training which demonstrates the ability to perform the work described may be accepted.
- Three years' experience with assessment, implementation, and/or maintenance of healthcare technologies including knowledge of a specific electronic health record.
- Three years' experience with data collection and analysis, in support of a healthcare or clinical team.
- Knowledge of industry terminology and operational workflows is preferred.
- Must be able to pass a criminal history check and possess a valid Oregon drivers' license with an acceptable driving record.
