ADDENDUM NO. 2

TO: All Plan Holders and/or Prospective Bidders

RE: Mill City Downtown Revitalization Project
Bid Opening, December 15, 2020, 9:35 PDT, Linn County Courthouse

FROM: Chuck Knoll, P.E., County Engineer *CRJ*

The following changes are hereby made to the North Santiam River (Mill City) Pedestrian Bridge Project Plans and Specifications:

SPECIAL PROVISIONS

00310.92 Separate Bid Item – add the following:

(a) Saw cutting for pipe removal will be paid for only those quantities outside of the excavation limits.

00445.70(a) General – Delete this subsection, except for the subsection number and title, with the following:

Inspect storm sewer systems and culverts to ensure that the lines are free of obstructions, leakage and deflection. Video and deflection testing will not be required.

PLANS

Sheets 30 and 31 – In note “JB” delete the words “Install 110 outdoor rated GFI outlet in each junction box that serves a light pole”.

Sheets 30 and 31 – In note “C” add the following: “per std dwg TM471”.

Sheets 30 and 31 – In note “CONN” add the following: “per std dwg TM485”.

BID SCHEDULE

Bid Item 12, Asphalt Pavement Saw Cutting, Strike through the Quantity “1,275” and handwrite in “2,265”.

These changes will be included in the Contract for this Project. It is understood that your bid will be submitted accordingly.

All Bidders will acknowledge receipt of this addendum by returning a signed copy of this addendum with the bid package. Proposals without this addendum may be rejected.
